Discussion of Education Activities

- The committee reviewed, edited, and finalized a letter template for state compact administrators to send to insurance companies regarding compact privileges. The committee recommended various stakeholders to send the letter to as well other ways to share the information.
- The committee reviewed and edited a draft of a one-page Change in Home State fact sheet to be posted on the PT Compact website. The committee also recommended sending the information to educators or adding it as a resource in the PT Compact Module for Educators.
- Ms. Lapnawan shared a drafted storyboard for 1 of 3 Change in Home State educational videos, specifically regarding moving from one compact state/jurisdiction to another compact state/jurisdiction. The committee discussed potentially sponsoring a contest to have students develop these videos (or other videos in the future) to increase stakeholder engagement.

Other Business

- Ms. Anthony recommended encouraging state boards to add a PT Compact endorsement and website link to the license renewal email reminder typically sent by state boards to their licensees.

Next Steps

Staff will draft a storyboard for two additional Change in Home State educational videos for the committee to review. The Committee will continue to discuss other education and outreach opportunities.

Next Meeting
