

**Statement of Purpose:** The purpose of this Compact is to facilitate interstate practice of physical therapy with the goal of improving public access to physical therapy services. The Compact preserves the regulatory authority of states to protect public health and safety through the current system of state licensure.

**STRATEGIC PLAN 2023-2027**

**EDUCATION**

Be the premier resource for practitioners, educators and state board representatives.

Develop educational materials designed to empower key stakeholders to be promoters of PT Compact

Increase awareness of the PT Compact as a key tool to broaden and streamline mobility of physical therapy services across jurisdictions

Educate member states on the value of sharing information for public protection.

**ORGANIZATIONAL EFFECTIVENESS**

Optimize PT Compact's organizational infrastructure to drive impact and organizational sustainability.

Nurture relationships between PT Compact, FSBPT, APTA and other key stakeholders

Develop resources and structures needed to consistently deliver on stakeholder needs and expectations

Demonstrate financial responsibility through effective stewardship of resources

**ADVOCACY**

Champion growth and adoption of PT Compact privileges to enhance public protection.

Advocate for consistency in compliance reporting, ELDD data sharing and regulatory best practices

Leverage relationships to attain recognition of parity for compact privileges and licenses

Promote the compact's impact on society and access to healthcare and increase participation of non-member jurisdictions.

**Key Performance Indicators**

Privilege Holder Market Penetration | Business Model Health | Public Awareness and Standing
