

Physical Therapy Compact Model Language

The following language must be enacted by a state in order to officially join the PT Compact Commission (PTCC).

<u>No substantive changes should be made to the model language.</u> If it is determined by the PTCC that any substantive changes are made, the state will not be recognized as a member of the PTCC.

SPECIAL NOTE 1: The FBI determined that the language authorizing the Federal Bureau of Investigation Criminal Background Check (FBI CBC) outlined in Section 3.B. of the model language is not sufficient. As a result, if a state does not currently require all initial licensees to complete an FBI CBC by submitting fingerprints, the state must also enact additional language to meet the PTCC requirement that the member board use the results of the FBI CBC when making licensure decision for all applicants. You should contact the PTCC for additional guidance on what language to add if you don't current have this requirement in place.

SPECIAL NOTE 2: The reference to "10 U.S.C. Section 1209 and 1211" in line 23 on page 1 should actually be "10. U.S.C. Chapter 1209 and 1211." Please have the bill drafters in your jurisdiction use Chapter instead of Section.

Please contact the PTCC with any questions.

The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge shall be made in writing, and delivered to the chair of the Commission prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the Commission.

SECTION 10. OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT

A. Oversight

- The executive, legislative, and judicial branches of state government in
 each member state shall enforce this Compact and take all actions
 necessary and appropriate to effectuate the Compact's purposes and intent.
 The provisions of this Compact and the rules promulgated hereunder shall
 have standing as statutory law.
- 2. All courts shall take judicial notice of the Compact and the rules in any judicial or administrative proceeding in a member state pertaining to the subject matter of this Compact which may affect the powers, responsibilities or actions of the Commission.
- 3. The Commission shall be entitled to receive service of process in any such proceeding, and shall have standing to intervene in such a proceeding for all purposes. B. Default, Technical Assistance, and Termination

- If the Commission determines that a member state has defaulted in the performance of its obligations or responsibilities under this Compact or the promulgated rules, the Commission shall:
 - a. Provide written notice to the defaulting state and other member states of the nature of the default, the proposed means of curing the default and/or any other action to be taken by the Commission; and

- 2. If a state in default fails to cure the default, the defaulting state may be terminated from the Compact upon an affirmative vote of a majority of the member states, and all rights, privileges and benefits conferred by this Compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.
- 3. Termination of membership in the Compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the Commission to the governor, the majority and minority leaders of the defaulting state's legislature, and each of the member states.
- 4. A state that has been terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.
- 5. The Commission shall not bear any costs related to a state that is found to be in default or that has been terminated from the Compact, unless agreed upon in writing between the Commission and the defaulting state.
- 6. The defaulting state may appeal the action of the Commission by petitioning the U.S. District Court for the District of Columbia or the federal district where the Commission has its principal offices. The

544 prevailing member shall be awarded all costs of such litigation, including reasonable attorney's fees. 545 C. Dispute Resolution 546 547 1. The relief sought may include both 559 injunctive relief and damages. In the event judicial enforcement is 560 necessary, the prevailing member shall be awarded all costs of such 561 litigation, including reasonable attorney's fees. 562 The remedies herein shall not be the exclusive remedies of the 563 3. Commission. The Commission may pursue any other remedies available 564

under federal or state law.

SECTION 11. DATE OF IMPLEMENTATION OF THE INTERSTATE COMMISSION FOR PHYSICAL THERAPY PRACTICE AND ASSOCIATED RULES, WITHDRAWAL, AND AMENDMENT

- A. The Compact shall come into effect on the date on which the Compact statute is enacted into law in the tenth member state. The provisions, which become effective at that time, shall be limited to the powers granted to the Commission relating to assembly and the promulgation of rules. Thereafter, the Commission shall meet and exercise rulemaking powers necessary to the implementation and administration of the Compact.
- B. Any state that joins the Compact subsequent to the Commission's initial adoption of the rules shall be subject to the rules as they exist on the date on which the Compact becomes law in that state. Any rule that has been previously adopted by the Commission shall have the full force and effect of law on the day the Compact becomes law in that state.
- C. Any member state may withdraw from this Compact by enacting a statute repealing the same.
 - 1. A member state's withdrawal shall not take effect until six (6) months after enactment of the repealing statute.
 - 2. Withdrawal shall not affect the continuing requirement of the withdrawing state's physical therapy licensing board to comply with the investigative and adverse action reporting requirements of this act prior to the effective date of withdrawal.
- D. Nothing contained in this Compact shall be construed to invalidate or prevent any physical therapy licensure agreement or other cooperative arrangement between a member state and a non-member state that does not conflict with the provisions of this Compact.

E. This Compact may be amended by the member states. No amendment to this Compact shall become effective and binding upon any member state until it is enacted into the laws of all member states.

SECTION 12. CONSTRUCTION AND SEVERABILITY

This Compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this Compact shall be severable and if any phrase, clause, sentence or provision of this Compact is declared to be contrary to the constitution of any party state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this Compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this Compact shall be held contrary to the constitution of any party state, the Compact shall remain in full force and effect as to the remaining party states and in full force and effect as to the party state affected as to all severable matters.
