Call to Order

The meeting was called to order at 12:01 PM ET.

Brief Orientation

Ms. Lapnawan gave a brief overview of the committee’s history, responsibilities, and job description. She also shared key PT Compact sales metrics, market penetration, and Nov-Dec 2025 survey data on reasons for purchasing or renewing a compact privilege versus obtaining a license.

Discuss PT Compact website Support Center

Ms. Lapnawan discussed the need for the committee to review all the articles in the PT Compact Support Center website for clarity and comprehensiveness. The goal is to allow compact privilege seekers, compact privilege holders, and other stakeholders visiting the website to quickly find answers to their questions. The articles will also be used by a PT Compact AI customer service agent to answer questions.

Brainstorming on potential webinar topics and speakers as well as newsletter articles

Committee members shared ideas on content for webinars, with emphasis on having various compact privilege holders speak to their experiences. Members also shared recommendations on newsletter articles based on their own experiences with the PT Compact.

Action Items

Committee members to complete the PT Compact website Support Center audit assignment by March 20, 2026. Members will also reach out to their contacts to see if a compact privilege holder or employer of a compact privilege holder would be willing to participate in a webinar or be highlighted in a newsletter article.

Next Meeting

The committee will meet again in Q2 2026.

Adjournment

The meeting was adjourned at 12:51 PM ET.
